

# Quality Policy

Truform Manufacturing, LLC will operate this business with a philosophy of honesty and integrity. We seek to provide our customers with superior quality and service at all times. The focus of Truform's business operations is based on these guidelines:

- Produce and deliver product conforming to customer specifications.
- Develop and continually improve our manufacturing systems.
- Create a work environment promoting communication, decision-making, and skill development.

This policy has been developed and agreed upon by the Truform Manufacturing management team and ownership. This policy has been explained and discussed with Truform employees sharing our business approach. This policy is also posted at numerous locations throughout Truform.
