

Quality Policy

American Hinge Technologies, LLC (AHT) will operate this business with a philosophy of honesty and integrity. We seek to provide our customers with superior quality and service at all times. The focus of AHT's business operations is based on these guidelines:

- Deliver product conforming to customer specifications.
- Develop and continually improve our logistics systems.
- Create a work environment promoting communication, decision-making, and skill development.

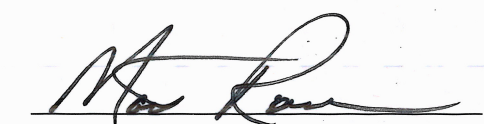

This policy has been developed and agreed upon by the AHT management team and ownership. This policy has been explained and discussed with AHT employees sharing our business approach.
